I understand that I am offering this item for sale at GOB Retail (Guild of Blades Retail Group). GOB Retail will attempt to sell the item on my behalf at the Sell Price I indicated above. I retain ownership of the item. GOB Retail will list and display the item for sale for a period of 90 days during which if the item sells, GOB Retail will give to me an amount of store credit redeemable at GOB Retail equal to 70% of what the item sold for, after the buyer return period has passed and no return was optioned. The buyer will have 3 business days, not including the day of purchase, for which to inspect the item and return it to GOB Retail if they feel the condition is not as indicated by the seller. If a buyer returns the item, the item will not be relisted for sale and GOB will contact the Seller so the Seller may come and pick up the item.

If the item has not sold after 90 days, GOB Retail may choose to pull the item from sale and ask me to come pick it up, or GOB Retail may automatically reduce the Sell Price of the item by 25% and keep it listed for sale. If I do not want to sell my item for less than my original Sell Price, then I must come to remove my item from sale at GOB Retail prior to the 90 day period, but not less than 60 days, from the day of entering it at GOB Retail for sale. If GOB Retail lists the item at the lower price, it shall continue to try and sell the game for an additional 30 days.

If GOB Retail removed my item for sale, GOB Retail will call the contact phone number of this form and tell the person who answers it, or a voice mail, that the item has been removed from sale. After which time GOB Retail will hold the item for a MAXIMUM of 14 days, not including the day of the phone call, for which I may come and remove the item from GOB Retail. If after 14 days after I have been given such notification, I have not removed the item from GOB Retail, I will concede all rights to it and the item shall be considered abandoned. If I abandon the game, GOB Retail may opt to continue trying to sell it and if they do, they may sell it for any price they deem fit. If the item sells, GOB Retail will deduct \$4.50 or 30% of the price the item sold for, whichever is greater, and provide the balance to me as a GOB Retail store credit.

I warrant the phone number and e-mail address I have listed here are accurate and current as of the time of my filling out this form. Any change to either are my responsibility to update GOB Retail with. If an item sells, GOB Retail will notify me of this by sending an e-mail to the e-mail address I have provided. It may take up to 7 business days after the buyer return window has passed for my account to be credited with the store credit from the sale of my item.
